**6 EC Bronze Competitions**

The Kawartha Lakes Dressage Association Bronze competitions are sanctioned as Bronze competition members of Equine Canada (EC), 2685 Queensview Drive, Suite 100, OTTAWA, ON, K2B 8K2, and are governed by the 2010 rules of EC. Every class offered herein is covered by the rules and specifications of the 2010 rules of the EC and will be held and judged in accordance with the EC rulebook

**NOTE: It is the responsibility of the rider, owner, trainer, coach and parent to be fully cognizant of the 2010 rules and regulations of Equine Canada. Current rulebooks are available for download at [www.equinecanada.ca](http://www.equinecanada.ca) (Section E – Dressage and Section A – General Regulations)**

Copies of current tests (**2007 EC tests and 2009 FEI tests**) are available for download at [www.dressagecanada.org](http://www.dressagecanada.org). Dressage Canada has designed new freestyle test sheets for use starting in 2010. On the back of these test sheets, a list of clearly allowed and clearly forbidden movements is provided. This should be a significant help to riders, coaches, judges and professional freestyle designers alike. Any questions regarding the new guidelines can be addressed to: [rules@dressagecanada.org](mailto:rules@dressagecanada.org).

**New for 2010: We will be using the EC Walk/Trot Tests. 2007 Walk/Trot Tests A and B and 2010 Walk/Trot Tests C and D are available for download from the same location as all other EC tests at [www.dressagecanada.org](http://www.dressagecanada.org)**

### **EC Statement of Principles**

Equine Canada (EC), the National Federation of Canada, supports adherence to the humane treatment of horses in all competitions under its jurisdiction.

EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedures.
- Continuing to support scientific studies on equine health and welfare.
- Increasing education in training and horsemanship practices.
- Requiring owner, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition practices, would determine to be neither cruel, abusive nor inhumane.
